

Bellerbys Feature NST 16-10-05

## **Bellerbys College achieves top A Level and Foundation results**

UK university preparation specialists, Bellerbys College are celebrating their best ever A Level and Foundation Programme results for 2005. In the A Level 2005 results, one-third of all students achieved three A's or better; 75% of all students' grades were A or B; 19 students achieved four A Grade A Levels; 50 students achieved three A Grade A Levels. Our top students - from 11 different countries - have won places at the UK's top institutions. We are proud and share the joy of parents in the achievement of their children. Six students won places at Cambridge University; twelve at Imperial College, London; thirteen at the London School of Economics; four at University College London; five at Warwick University; and five at Medical School.

In addition, the Bellerbys College Foundation Programme, which takes one year and provides an academic route into 33 partner universities in the UK, enjoyed the following results: 95% of all Foundation students gained university places within the UK; 15% of all students achieved distinctions (exam score of 75% or above).

Top on the list of competitive courses vied for by A Level students who come to Bellerbys are Medicine, Pharmacy, Accounting and Finance, Economics and Law. Our students have also earned places in prestigious universities for Mathematics, French and Classics, Computer Science, Biomedical Sciences, Statistics, Computing and Operational Research, Philosophy and Economics, English and Film Studies, Architecture and a wide range of courses.

Bellerbys College has for long been recognised as one of UK's best preparatory specialists for international students. Each year, students from over 120 countries choose Bellerbys because they want the very best preparation available for entry into a British university. Academic programmes at Bellerbys include English Language Preparation, GCSEs, A Levels and Foundation studies. Bellerbys centres are at Brighton/Hove, Cambridge, Oxford and London.

We take this opportunity to congratulate parents and students on their achievements and we are very pleased to have a role to play in preparing the students to attain their academic goals. Mr Peter Corcut, Principal of Bellerbys, Hove Centre will be happy to meet parents and students on 19 -20 Oct at JM Education Counselling Centre in Penang and Subang Jaya. Students wishing to secure a place in the January 2006 term are encouraged to bring their forecast SPM or equivalent results for assessment. Partial academic scholarships are available.
