

## Undergraduate International Scholarships – *School of Pharmacy and Medical Sciences*

- **Medical & Pharmaceutical Biotechnology**
- **Laboratory Medicine**
- **Nutrition & Food Sciences**
- **Pharmacy**

Up to 23 Scholarships may be awarded on the basis of academic excellence to outstanding students. Applicants must have attained the necessary entry requirements as outlined at [www.unisa.edu.au/internat/fees/default.asp](http://www.unisa.edu.au/internat/fees/default.asp)

Scholarships are valued at up to 25% of the total program fees. Scholarships are awarded each year in each of the four undergraduate programs offered by the School. Students will be selected on merit and are expected to achieve ongoing satisfactory performance throughout the duration of their degree program.

### APPLICATION PROCEDURES

1. Students will only be considered eligible for an International Scholarship upon initial acceptance into a School of Pharmacy and Medical Sciences undergraduate program and receipt of the initial payment of UniSA fees.
